REGIONAL REPRESENTATIVE – THE POWER TO MAKE A DIFFERENCE

Regional Representatives are an essential part of the CICM. They bring valuable expertise, knowledge, ideas, opinions and passion to help formulate strategy and direction, particularly within their specialisms and regions. Regional Representatives sit on the Institute's Advisory Council, comprising up to 23 members in total, 11 of which cover these regional roles.

In addition to regular contact with the Branch(es) within the regions, Regional Representatives attend Advisory Council meetings and join Regional and Branch interactive sessions (the dates of which will be provided in due course).

To become a Regional Representative, candidates must be fully paid up members (MCICM or FCICM) and attached to a Branch which falls within the region to be represented (please contact governance@cicm.com with any questions). We are currently seeking candidates for the following region:

- **Yorkshire & Humber (post codes: DN, S, BD, HD, HG, HX, LS, YO)**

This is a voluntary role (reasonable expenses are reimbursed), and the post will be in an acting capacity until the AGM in 2024.
